Healthcare Recruitment & Staffing: Permanent, Travel, Contract & Per Diem

Introducing Greenlife Healthcare Staffing, a minority-owned WOSB (woman-owned small business), and the premier provider of top-quality healthcare recruitment and staffing services. Our company specializes in delivering exceptional solutions to clients in both the private and public sectors throughout the United States. With our unwavering commitment to excellence, we have established ourselves as a reliable and preferred service provider for businesses of all sizes and government agencies

Why GLHS?

- With over 50 years of cumulative experience in healthcare staffing, Greenlife Healthcare Staffing expertly navigates the industry's complexities to deliver top-notch service.
- Our database includes over 500,000 qualified healthcare professionals across various specialties nationwide, ensuring we meet the diverse needs of our clients.
- We partner with leading industry organizations like the American Staffing Association and NCHCR, keeping us at the forefront of industry trends and best practices.
- Each month, we issue a list of Most Valuable Candidates (MVCs), highlighting top-tier talent to help clients quickly identify the best professionals.
- We specialize in filling hard-to-fill positions, using our extensive network and deep industry knowledge to connect clients with the right candidates, even in challenging scenarios.

Past Performance

Greenlife Healthcare Staffing has a proven track record of delivering exceptional healthcare staffing solutions across the United States. We have successfully placed thousands of healthcare professionals, including physicians, nurses, and allied health workers, in critical roles across diverse healthcare settings. Our strong focus on customer satisfaction has resulted in over 90% of our revenue coming from repeat business. We have consistently partnered with top healthcare organizations, supporting them with specialized staffing for hard-to-fill positions. Our commitment to excellence has made us a trusted provider for clients ranging from small practices to large healthcare systems.
